**DECLARATION**

Testing of the UNIQUE® multi-layer wooden floor with Ecofilm F heating foil has demonstrated that this floor may be used with an Ecofilm F electric floor heating system which is installed in accordance with the instructions for installation from Fenix Trading s.r.o..

Installation of a Unique® floor onto electric floor heating must be carried out in accordance with the recommendations of the manufacturer listed in the installation instructions. It is similarly necessary to follow the recommendations listed in the maintenance instructions. The firm Kronospan SK s.r.o. will present and recommend Ecofilm F heating foil in its promotional materials and on the web page [www.uniqueflooring.sk](http://www.uniqueflooring.sk).

With best regards
